WELCOME TO COASTAL!

We'd like to welcome all the members of the Galveston School Employees Federal Credit Union to Coastal Community Federal Credit Union!

On February 29, GSEFCU merged with Coastal, and we're here to make sure that you'll continue to receive great member service in addition to the products and services that we have to offer at our four locations at 2302 Church St. and 6811 Stewart Road in Galveston; 6708 Gulf Freeway in La Marque; and 7002 Fauna St. in Houston.

GSEFCU was chartered in 1951 and has served Galveston ISD employees and their families for 73 years. Both Ronesha Holmes and Elaine Hunter have joined Coastal and will continue serving the community as a part of our family.

NATIONAL CREDIT UNION YOUTH MONTH/FINANCIAL LITERACY MONTH

Join us in celebrating National Credit Union Youth Month & National Financial Literacy Month!

Annually, April has been set aside as National Credit Union Youth Month, which is aimed to promote financial literacy and education among young people, helping them to develop good money management habits and achieve financial security as they grow into adulthood.

Here at Coastal we offer Teen/Kids accounts to teach children about money management at an early age. Information for your teen in regard to saving, interest rates, or about buying their first car can be found via the Claim Your Youth program which can be found at <https://www.claimyouryouth.com/Home?cuid=87868274>. Here they will find helpful tips to help them become financially savvy.

And for our smallest members, The Berenstain Bears Financial Literacy Program "Cub Club" establishes a life-long relationship starting them on the path to financial wellness with saving tips, an activity book, and so much more. For more information, visit <https://www.cubclubonline.com>.

As the parent/guardian, you can open checking/saving accounts for them at an early age; pay your children to read books on personal finance or goal setting; talk to them about your own financial goals; be transparent about the cost of everything; and teach them how to save, donate, and spend wisely.

In addition, National Financial Literacy Month is dedicated to empowering individuals with the knowledge and skills necessary for sound financial decision-making. Our knowledgeable and friendly team is always here to help you with all your financial needs.

SHARED BRANCHING

Coastal works in tandem with Co-op Shared Branch, which is a national network of credit unions across the country that share facilities to give members thousands of convenient locations to perform financial transactions such as obtaining a copy of your account history; make loan payments; withdrawals; transfers; deposits; cash checks; and so much more.

You can download the app on the App Store, get it on Google Play, or visit <https://sharedbranching.org> for more information and locations.
